Career Opportunity

Anne Decker Architects, an award-winning, nationally published firm, is actively seeking a talented Intern Architect with 2-4 years of experience* to work on detail-oriented residential projects from concept design through construction. We offer a competitive salary, excellent benefits package, and a casual work environment.

A qualified candidate should possess the following:

• A professional degree from an accredited Architecture program.
• Proficiency in ArchiCAD is considered a plus.
• Previous experience working in various phases of project development with knowledge of residential construction detailing.
• Ability to work independently and in a team environment.
• Effective verbal and written communication skills and is motivated to learn.

To apply, please forward a resume and work samples to: inquire@annedeckerarchitects.com.

*A Spring 2016 B.Arch or M.Arch graduate will be considered if s/he can demonstrate that s/he has the above noted qualifications.
