

Junior Architect (1-3 Years' Experience)

Alan Hamm Architects, P.C. Kensington, MD

Alan Hamm Architects, P.C. (AHA) is seeking a Junior Architect. We are a small architecture/design-oriented firm with highly successful expanding clients. We are looking for a sharp, energetic self-starter to join our productive, relaxed office which offers an opportunity to be involved in the full design and construction process for our restaurant and commercial clients.

We are seeking to hire the right person immediately. The position is full-time with benefits, near the Beltway, and with free on-site parking. Applicant must be able to work legally in the United States, and currently reside in the Washington Metro Area.

If you are looking to expand your skills as an architect, then please submit your cover letter, resume and portfolio in .pdf format to **AHAadmin@alanhamm.com**. Your cover letter should clearly state why you would be the best applicant for this position and what sets you apart. No phone calls, please.

Requirements:

Bachelor's (5 Year Program) or Master's Degree in Architecture

1 Year Minimum Work Experience – Previous experience in restaurant design preferred

Proven ability with AutoCAD, REVIT and presentation graphics software.

Steady, responsible person who is self-motivated.
