

## **CAD Drafter**

BRP Construction is a boutique residential design-build firm in Montgomery County, Maryland that specializes in contemporary homes.

[www.brpdesignbuild.com](http://www.brpdesignbuild.com)

We are looking for an experienced CAD Drafter. Candidate should be computer savvy, motivated, and provide a quick turn around with projects.

- Immediate hire
- This position is part-time & hourly
- Candidate must be proficient in AutoCAD, and most importantly be able to create 3D renderings in AutoCAD. (not Revit)
- Candidate must be able to provide their own transportation to and from projects
- Candidate must have their own computer and software
- We can provide measuring tools
- Candidate can be a current student, recent graduate or alumni.

This position will provide candidate with great experience in construction & design-build.
