

Cornerstone Architects seeks a self-motivated Architectural Designer on the path to licensure who is either from the greater Richmond, Virginia area or is willing to re-locate. The qualified candidate will have excellent written and verbal skills and be a well-rounded designer capable of adapting to a varied work load. Preferably candidates will demonstrate fluency with BIM software (we are Archicad based), parametric modeling ability, and a familiarity with rendering software. The chosen candidate will be involved in all aspects of the design process from initial concept to final walk through.

Cornerstone is twenty-five-year-old firm owned in part by a CUA M-Arch 3 graduate. Our firm specializes in healthcare, commercial office, and institutional design but our typical workload involves a wide variety of project types. We pride ourselves on being innovative and diligent problem solvers focused on the holistic practice of architecture. We promote a highly collaborative and flexible work environment with an excellent benefits package and regular hours. We are situated in the heart of the downtown gallery district in a vibrant and walkable area.

Interested candidates should contact ccedo@csarch.com with a resume and portfolio in PDF format (limited to 7mb).
