Volunteer Work

The Shrine of the Sacred Heart (16th St and Park Road NW)

**Job:** The Shrine of the Sacred Heart is about to renovate its kitchen after many years. In order to get a permit they need a “blueprint” of the project drawn up by someone qualified in drafting blueprints. This person who can draw blueprints and would be will to do the work pro bono or under some other arrangement. The construction project has been approved by the Archdiocese now going thru the permit phase so can begin work.
