CHARLES PAUL GOEBEL, ARCHITECT, LTD is a well-established, award-winning architecture and land-planning consultancy. Projects are primarily high-end residential, exclusively custom, with a varied mix of historic preservation, adaptive reuse and new construction. Projects are principally located in the mid-Atlantic with select commissions from other regions of the US and Canada. The selected intern architect will work on wide-ranging project assignments in direct collaboration with the firm principal (M.Arch Harvard GSD; Licensed Architect (multiple states); AICP certified land-planner; LEED accredited professional). Office is located in Easton’s historic district with a great selection of restaurants, shops and many services within walking distance.

Please visit www.cpgoebel.com for additional information about the firm.

EASTON, MARYLAND rated “8th Best Small Town In America” is on Maryland’s “Eastern Shore” - East of the Chesapeake Bay - approximately 1-1/2 hours drive from Washington and Baltimore. Easton (population 16,500) is a regional arts and cultural center with small town charm, affordable living and ready access to Washington, Baltimore & Philadelphia. The area offers great opportunities for the outdoors enthusiast including cycling, golf and tennis as well as boating on the Chesapeake Bay, its rivers and the Atlantic Ocean.
